Library Branch at Rio Montana Park

Library services previously provided at the Palomino Branch Library will be transferred to a building at Rio Montana Park, less than a mile away. The SGIAC grant allows for interior walls to be repaired and painted, flooring to be replaced, and shelving added. Local funds will purchase a collections vending machine, and grant funds will be used to install shade to protect the machine from the Arizona heat.

Renovating Cordes Lakes Public Library

This project will increase the Library's capacity by adding a 720 sq. ft. meeting room, expanding the children's area, and adding a restroom. An adjacent lot, which was donated by the Friends of the Library, will be converted into a parking lot to allow for 16 spaces. Culverts, sidewalks, and landscaping will also be improvements to the new lot.

Installing Express Services at Rio Montana Park

Library services that were once provided at Palomino Library will be transferred to a 1,551 square foot building at the Rio Montana Park. SGIAC funds will be used to repair and renovate the interior of the building. Funds will also be used to install shading for a vending machine that will store books and materials of all sizes for pick up by patrons who have placed these materials on hold.

Creating a Youth Center

SGIAC funds will be used to expand the library to create a dedicated space for teens. The new space will be available for youth to participate in library programs, to check out materials, and to use computers and other devices. This space will also be a youth affiliate site for Arizona@Work where staff will be available to provide youth with work-related training, assistance with college applications and scholarships, and counseling services to help them find employment.
